Good Day [REDACTED]

I appreciate you sending me the video link regarding your complaint against Mr. Jaquez. It appears that you also filed a Police Report of the alleged incident with the Carson Sheriff's Station. I will follow up with the Sheriff's based on their report/investigation and handle any personnel issues internally once their process is complete.

Best Regards,  
David

Good morning City Manager,

My name is [REDACTED], a Planning Commissioner for our beloved City of Carson, and I would like to file a formal complaint against Council Aide Ruben Jaquez. At about 10:41pm last night, Ruben not only replaced my Campaign Sign at Manila Sunrise, located at 21828 S. Main St., with Jim Dear's sign, but he also threatened me saying I "better leave or else..."

The removal of campaign signs without consent of the sign owner is against the law, which is classified by California Penal Code Section 488 as a petty theft misdemeanor. To make things even worse, no City Staff should ever threaten anybody, much less a Planning Commissioner who is running for City Council, and represent the City in such a poor manner.

I have filed a Police Report of the incident with the Carson Sheriff's Office at around midnight last night, which has been assigned a Report # of 922-09287-1618-389 by Deputy Damian. Come to find out this morning that at least 8 of my campaign signs along Main Street have also been removed without my consent.

Attached are photos of the signs I had put up that are now missing, which are each named with the date and the address they were put up. Additionally, here's the link of the entire interaction when I caught him and known Jim Dear cronies Zeke Vidauri and Dan Valdez red-handed putting up Jim Dear's sign where mine was just up an hour prior:

Thank you for your attention, I look forward to hearing back from you regarding an appropriate course of action for this criminal act by a City Staffer.
